

# FAME CENTER on Function Accelerated nanoMaterial Engineering

FAME aims to incorporate nonconventional materials and nanostructures with their quantum properties for enabling analog, logic and memory devices for beyond Boolean computation as stated in the RA.

The FAME offices are located in Boelter hall on the UCLA Campus. Business Office - 5289; Conference Room - 5401.

Phone: (310)794-9819

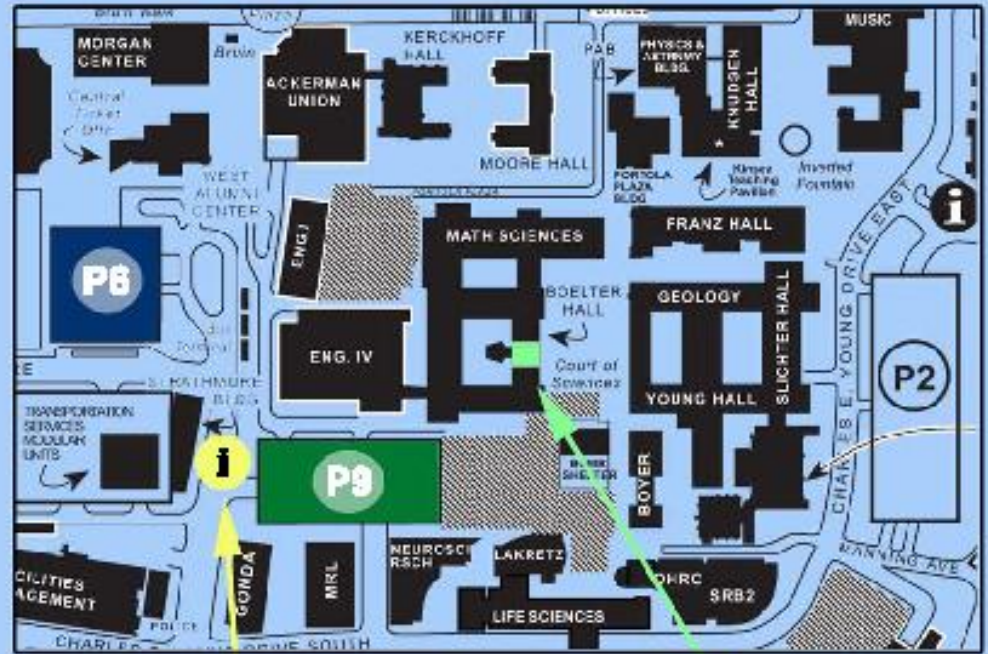

Fax: (310)825-8621

## DIRECTIONS

The closest major airport to UCLA is the Los Angeles International Airport, LAX. From LAX, take the 405 freeway north to the Wilshire Blvd. East exit. Continue east on Wilshire Blvd. for several blocks, moving from the far right lane to the left. Make a left turn onto Westwood Blvd. Follow Westwood Blvd. onto campus. UCLA's main campus is bordered by Sunset Blvd. on the north, Le Conte Ave. on and south. The east border is Hilgard Ave. and the west border is Gayley Ave. The parking kiosk is located on Westwood Blvd. right before the main campus.

## DIRECTIONS

1. Take 405 (San Diego Freeway) to Wilshire Blvd. east
2. Travel east three blocks to Westwood Blvd.
3. Turn left on Westwood Blvd.
4. Travel 5 blocks to the Parking and Information booth
5. Stop at Parking and Information booth to pick up your parking pass. If a pass has been reserved for you, state your name, otherwise a parking pass is \$11 for the day.

**Parking Kiosk**

Pick up your parking pass here. You will be directed to either

- 1) **Parking Lot 6** (see on map)
- 2) **Parking Lot 9** (see on map)

**FAME Center**

The FAME office is located at 5289 Boelter Hall. Boelter Hall is just west of the Engineering IV Building, which faces Westwood Plaza. Enter the Engineering IV Building at the right hand entrance (facing the building from the street). Enter, make a right to the elevator, and go to the 4th floor. Exit to the right; continue straight and cross the outdoor bridge that will take you to the 5th floor of Boelter. Turn left at the end of the hall, and the FAME office will be on the left.
